A humble home most certainly situated in a quiet, and friendly neighbourhood.

Photo

General

The Main Living room. The Lobby where your guests would most definitely admire the artwork, and the care carefully seeded within its walls. It offers you the most Exquisite of the creative mind, and blends the classical and arabesque arts into one aroma.

The Bar and the entrance to the kitchen, Also Built in with the living room, Decorated with a Davidoff Cigar box, and crystal glasses, giving the just right touch of a personalised Bar.

The 1st floor bathroom, Comes with its furniture, Bathtub, Washing tub and toilet, that most definitely defines the privacy, peace, and Comfort of a home.

The second floor, although not complete, is a spacious room that leads to the terrace

The living room also comes with a built in sofa, All built out of stone, and covered with Black and white cushions. And the Wooden swing doors, guarantee your total privacy.

The Open garden, A quiet refreshing and private little garden where you can retreat and relax, giving you a healthy environment with a fountain and cared for Shrubbery, It comes with a great effect with lighting, A shower, fountain, and swings.

The Home also comes furnished with a fully equipped kitchen, that will provide you with a spacious cooking environment for all your Culinary talents and needs.

The Terrace, also incomplete is accessed through the second floor room. Spacious

The Living room is Lively Lit by two main windows, with a center door to the Garden area, as most arabesque Houses, this is the main room that leads to the rest. Also, a Stone table made of a column, a bar, and a vaulted ceiling lively offers you the artistic and comfortable feeling of a home.

Another view of the garden, on display with the shower, and the well cared mosaic that reflects the natural environment.

The Laundry is also offered with the house, equipped with a washing machine, a iron, and all the needed tools for a new and fresh starting day.

The Garden View from the second floor. The Metal Mesh would provide the support for

and the second floor bathroom, and offers you the ability to customize it to your liking.

as it is, Can be used for almost any outdoor activity.

the Veins that would grow and Give the ultimate touch a garden would provide in the future. Also a metal chain, Hanging from the Roof of the building, would provide the rainwater directly to the little garden patch feeding it with the water it needs.

The main entrance, Incomplete however beautiful in its nature, will impress the guests to the fullest.
